More than 80 hours of English conversation with native English tutors

## ABOUT ME

A well-focused and responsible person able to complete multiple tasks with accuracy and efficiency in a fast-paced environment. As a self-motivated person, I always feel driven to learn new skills as well as perfecting the tasks I have been assigned.

## EXPERIENCE

### Institute for information industry | Mar. 2021 - Jul. 2021

- Learned essence of knowledge of frontend and backend programming languages included: C#, LINQ, .NET Framework, MVC, Node.js and so on
- Created an ordering system which connected to database, using C#
- Using ASP.NET MVC framework with Bootstrap, JavaScript, SQL Server and jQuery to develop a purchasing matching website called "GoGoBuy" in a joint effort with five team members

## WORK EXPERIENCE

### ADMINISTRATIVE ASSISTANCE

#### Contrel Tech Co., Ltd | Feb. 2018 - Jul. 2020

- Gained proficiency with the "Visual Components" software by making efforts to communicate with English-speaking engineers in Finland and solve problems
- Designed and created several animated video tutorials regarding the company's equipment line
- Responsible for arranging conference rooms for internal and customer meetings, recording and distributing the minutes of the meetings accordingly
- [My biggest achievement was to create a PowerPoint presentation on my software expertise that I successfully presented to the top managers and executives.](#)

### ENGLISH TEACHER

#### Cram School | Oct. 2017 - Jan. 2018

- Adopted an unconventional way of teaching makes children like learning
- Encouraged students to participate in discussions by implementing a variety of teaching methods and techniques
- Helped coach students whatever difficulties they have in studies
- [The experience of being a teacher standing and speaking in front of the classroom made me become braver to speak out and learn how to get the classroom's attention.](#)

## EDUCATION

### CHANG CHUG CHRISTIAN UNIVERSITY

#### Department of Translation and Interpretation Studies

#### Bachelor of Arts | 2013 - 2017

- Specialized coursework in English Translation
- Translated a book entitled "Twins" in a joint effort with my classmates
- Gained experience as an Event Coordinator for the Student Association of Translation and Interpretation Studies Department
